Child: _____

Child: _____

St. Andrews Child Care provides a daily hot lunch program which provides nutritious well balanced meals consistent with the Canada Food Guide.

Important Change

To keep the hot lunch program viable, the rate is reviewed annually before our fiscal year. Due to the rising costs of groceries, effective April 2022, the daily rate will be increased to \$4.50 per child.

Application for the Hot Lunch Program is renewable on a yearly basis in February. Should parents elect to suspend or stop participation in the program payment will be deducted until the end of February. In the event a child is absent for reasons such as illness or vacation etc. the daily rate will still be charged.

*Children attending Kindergarten will be charged for half of the month during the school year.
