**Fundraising Events 2024-2025**

**April 10– May 15: “Central Products and Foods”**

Based on the past success of our perogy fundraisers, this year we will be expanding to include kubasa, as well as perogies, through “Central Products and Foods.” The process will be much like our previous perogie fundraisers, with parents receiving a selling sheet, and sending payment to the centre using e-transfer, cheque, or cash.

**June 26 – July 31st: Bartender’s Delight**

Our popular “Bartender’s Delight” fundraiser is back!! Make the summer even more enjoyable with a special cocktail on your patio or deck. We will be raffling off liquor mart gift cards, just in time for August long weekend. Each family will receive a form with 50 numbers. Families can write down the name and contact information of anyone wishing to participate beside one of the numbers. We will do a live draw via our Facebook page, where we use a number generator to randomly pick the winning numbers.

**September -December 11th: Gift Card Fundraiser**

Have any gift cards been taking up space in your wallet, that may not be for you? During the month of September, we will be collecting donations of gift cards. They can be of any denomination, and from anywhere of your choosing. With the donated gift cards, we will create 3 packages to raffle off. All families will start off with one booklet of raffle tickets to sell (we will have more, if needed, as these tickets sell quickly). On the draw date and time, we will be live on Facebook, announcing the lucky winners for the gift card shopping sprees!

**February 10- February 28th: “Spent Bros.”**

**Frozen Pizzas**

This year, we are opting to try a couple of new fundraisers, and we know that pizza is a hit with many. Spent Bros. who operate out of Steinbach offer a variety of double topping and specialty pizzas for families to enjoy. The process will be very similar to our Central Products fundraiser, with families receiving order forms. More information on this fundraiser to come in the new year!
