April 10– May 15: “Mr. Perogie”

All families will receive an order form via email for potato and cheddar cheese pierogis from “Mr. Perogie”. If you are interested in placing an order, or know of others that would be interested you can write down the name and contact information, as well as the number of bags. We accept cash, cheques or e-transfers for all orders. Orders will be ready for pick-up two weeks upon completion of the fundraiser.

June 26 – July 26: Bartender’s Delight

Our popular “Bartender’s Delight” fundraiser is back!! Make the summer even more enjoyable with a special cocktail on your patio or deck. We will be raffling off liquor mart gift cards, just in time for August long weekend. Each family will receive a form with 50 numbers. Families can write down the name and contact information of anyone wishing to participate beside one of the numbers. We will do a live draw via our Facebook page, where we use a number generator to randomly pick the winning numbers.

October 9-December 8: 50-50 Draw

Due to the success of our recent 50/50 fundraiser, we will be holding another 50/50 draw this upcoming fall. As a reminder, we will share a link to sell tickets and you will have the chance to win half the cash raised. St. Andrews and Rivercrest will compete to see which centre can sell the most tickets!
