St. Andrews Child Care Inc. provides a daily snack program for both our Rivercrest and St. Andrews locations, which provides nutritious well balanced snacks consistent with the Canada Food Guide.

Effective November 1, 2020 we will be charging a flat rate of \$10 per month, per child for all families who would like their children to have centre snack. The rate will be reviewed annually in March and subject to change based on current food prices.

Application for the Snack Program is renewable on a yearly basis every March. Should parents elect to suspend or stop participation in the program, we require one month's notice. In the event a child is absent for reasons such as illness, vacation, school, etc., the monthly rate of \$10 will still be charged.

Yes, I would like my child/children to join the centre snack program, beginning November 1st, for a fee of \$10 per month.

No, I do not wish for my child/children to join the snack program at this time. I will send my child/children with their own am/pm snacks.
